

DRONE 101

Drone|UAS Seminar

*Considering a drone for Christmas?
Already a hobbyist or owner?*

Need a few questions answered?

- * What is the definition of recreational or hobby or commercial use of a Drone/UAS?
- * Do I need permission from the FAA to fly a drone for recreation or as a hobby?
- * What is the new FAA small UAS (Drone) Rule (part 107)?
- * Does the new FAA small UAS (Drone) Rule (part 107) apply to recreational drone use?
- * How do I know where it is OK to fly and where it is not OK to fly?
- * Can I fly a Drone/UAS over sporting events and people for hobby or recreation?
- * Do I have to notify all airports of where I want to fly?
- * I can buy a drone just about anywhere, so I can do whatever I want. Right?
- * How can I fly my drone safely and responsibly?
- * Should I really care about any of this stuff?

This seminar is for you!
